

Prison ME NO WAY!

Thursday 1st December 2016 9:00-15:15hrs

Following the very successful event last year, we are really pleased to be able to offer all our young people the chance to get involved in a series of workshops which includes:

- Mini-medics
- CEOP Online risks and safety
- Choices and consequences
 - Prison life session
 - Fire and rescue

Prison Me! No-Way! is a national educational charity with a core aim of raising awareness among young people about the causes, consequences and penalties of crime. It is designed to help 8 to 18 year olds from all walks of life and cultural backgrounds. They will even have the opportunity to sit in a mock prison cell.
